Shared documents:

1. Campus Wide Parking and Transportation Study - Phase I
2. Evaluation Matrix of Most Promising Parking Intercept Sites for MCV Campus

I. Review Timeline - Keith Inwegen

Phase 1: (meeting today) interim solution

Phase 2: comprehensive study looking at supply and demand

II. Presentation - Clayton Harrington

III. VHB presents Campus Wide Parking and Transportation Study - Christopher Daily and Diane Linderman

Green = (most promising), yellow = (middle), and red = (difficult)

Evaluation Matrix of Most Promising Parking Intercept Sites for MCV Campus:
26 properties + Anthem = 27 properties in question

12 (A's) = Most promising

14 (B's) = NO

1 (Delete) #22 (formerly the Red Carpot Inn)

Mary Cox questioned what would be done once Clayton received the ranked list. She suggested that we pass it to the Parking & Transportation Committee to review and possibly have further feasibility testing done.

Where are the consultants on Phase II and Carlos with the construction phase?

Future Meetings - Doodle will be sent on Friday, February 27 for a possible meeting before March 10.

III. Action Items

Keith Van Inwegen is to compile the list of properties and will pass it back to everyone so they can select their top five choices.

Meeting adjourned at 2:30PM.
