Key Information About RamSafe

What is RamSafe?

RamSafe is the point-to-point evening transportation service dedicated to VCU students, faculty, and staff. The program provides safe, free transportation to on-campus locations and to nearby residences and buildings within defined boundaries on the Monroe Park and MCV campuses.

MCV Campus Escort Service

VCU students, staff, and faculty can request rides on the MCV campus through the Ride Pingo app. This free service provides a safe ride to campus locations for any student or employee with a valid VCU ID card. The escort service is available from 5 p.m. to 8 a.m. daily.

Once you choose the destination location on the Ride Pingo app, you will be offered ride options (you may see a VCU RamSafe option and a VCUHS option); select the VCUHS option.
